

71st SECOND DISTRICT CONFERENCE

SOUVENIR JOURNAL PACKAGE

APRIL 2019

The Omega Brand

The Omega Psi Phi Fraternity, Inc. is a historical organization that provides and promotes programs of social, cultural and economic uplift to the communities we serve. For over a century, we have recruited, trained and deployed men for leadership roles in service to humanity.

Our promise: “EXCELLENCE WITHOUT EXCUSE.”

For over 100 years, the Omega Psi Phi Fraternity, Inc. has been recruiting, training and supporting college-educated men who have made major contributions in serving the downtrodden here in America and abroad. Omega was the first fraternal organization to be founded for the specific purpose of providing a cadre of male leadership that was committed to Uplifting the human race through programs of social and institutional reform. Our social action programs touched the lives of hundreds of thousands of families and individuals each year. Whether our efforts result in entertaining an audience, educating a group of young people or simply helping those in need, Omega has developed a reputation for delivering programs and projects that make a difference in the lives of those we serve.

A partial list of our social action initiatives includes: scholarships for deserving students, mentoring programs for disadvantaged youth, violence prevention through our partnership with RAC (Gun Locking Systems), leadership development and training in partnership with General Electric, health and wellness prevention through partnerships with State Farm Insurance Co. and the American Cancer Society.

If your company is looking to move from “successful” to “significantly successful” as a corporate neighbor, let’s get together to discuss partnering and sponsoring options.

Our aim is to make you feel welcome, respected and well served!
